NAPPANEE CLUB SUMMER PROGRAMS

JUNE 5 - AUGUST 4

WEEK 1

Introductions Week!

Members will spend the week getting to know each other, and learning about our summer theme by taking a look at explorers of different kinds from Marco Polo to Neil Armstrong!

WEEK 2

Becoming an Explorer

The focus of this week is character-building as members zero-in on the characteristics of explorers learning about: Focus, Preparedness, Perseverance, Creativity, Curiosity, Resilience, Risk-taking and more!

WEEK 3

Explorers in Training

Exploring healthy lifestyles was never more fun! This week, members will participate in an "Explorer's Training Camp" including healthy activities in sports and recreation.

WEEK 4

A Closer Look at the Arts

This week, members will explore different artists and artwork from around the world while creating their own works of art through hands-on projects and activities.

WEEK 5

The Leader in You!

Members will explore leadership by looking at the leadership skills of different explorers in history. Additionally, members will learn how they can be leaders at the Club!

WEEK 6

Exploring My Future

Club members will dive into the week discussing their dreams while participating in activities in career exploration and education.

NAPPANEE CLUB SUMMER PROGRAMS

JUNE 5 - AUGUST 4

WEEK 7

Surviving the Adventure!

Members will learn survival skills for exploration. Skills will focus on the physical like reading a compass, as well as the mental like having a positive attitude and solving problems!

WEEK 8-9

The Grand Finale

The focus of our last two weeks will be an energy-packed exploration of team-building games and competitions to celebrate all we have accomplished this summer!
